P.I.D. Radio 1/27/08: Lynn Marzulli — The Texas UFO and the Luciferic Deception (Audio)

Derek P. Gilbert co-hosts PID Radio with wife, Sharon K. Gilbert.

The credible reports of a large hovering craft in south Texas prompted us to ask Dr. Lynn Marzulli back to P.I.D. Radio to discuss his book, Politics, Prophecy, and the Supernatural: The Coming Great Deception and the Luciferic End Game.

Lynn spoke with one of the witnesses in Texas earlier in the day and shared his impressions of what happened there and the (non-)response of Christian churches in the area. Lynn explains why this is a preview of the coming “great deception”. Lynn Marzulli website <http://www.spiraloflife.com/home.html>
