## Detailed Description

### Book Description

Do we ever learn from history? What were the conditions on the Earth that resulted in its destruction except for Noah and his family? What are the conditions on the Earth today? Will history repeat itself in our time? I.D.E. Thomas reveals startling similarities between the past and today; between ancient peoples and modern peoples. THE OMEGA CONSPIRACY could well be the final battle.

### About the Author

I.D.E. Thomas is one of a long line of Welsh preachers, and he has travelled extensively in Europe, the Orient, and on the American continent. His sermons have been described in the press as "powerful and passionate," "intellectually articulate" and "spiritually probing." A native of Wales in the United Kingdom, Dr. Thomas has held three pastorates in that country: the Amman Valley, Caernarvon and Llanelli, where he succeeded the Reverend Jubilee Young. For ten years he conducted special preaching missions in the U.K. and the U.S. He also served as Commentator for the B.B.C. (British Broadcasting Corporation). He is currently the Senior Minister of the First Baptist Church of Maywood, California. He also lectures at two Los Angeles seminaries, and has authored several books which have enjoyed wide circulation.
